Sept 5: Labor Day  
Sept 11: Make Your Bed Day  
Sept 13: Positive Thinking Day  
Sept 19: Talk Like a Pirate Day  
Sept 25: Comic Book Day

This year's Direct Support Professionals (DSP) Week is September 11th-17th. DSP week became nationally celebrated in the United States in 2008 as

**DSP RECOGNITION WEEK**  
September 11-17, 2022

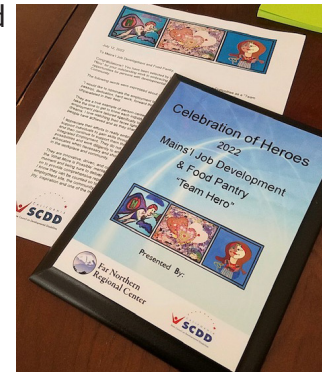

a way to highlight the work and dedication of DSPs, who play a pivotal role in supporting others to live their lives how they choose. At Mains'l we are so grateful for all the work our DSPs, SCs, and Managers provide to make a difference in the lives of others. Tune into KZRF 90.1 radio; you will hear a message on air throughout the month of September!

## Celebration of Heroes!

"Celebration of Heroes" was started a little over a year ago to recognize people making a positive difference across the 9 counties covered by Far Northern Regional Center.

The Mains'l Shoppe has the privilege to make each and every plaque awarded to individuals and teams who win this honor.

Most recently it was awarded to our very own Tyler from 7th St as well as the Pantry and Job Development Team.

## Our growing Mains'l community!

As you may be aware, there have been some exciting changes happening here at Mains'l! In order to support our growing community, we have grouped residential locations into three different regions. A Residential Supervisor, a team of program managers, and an on-call number have been assigned to each region. This will not affect your current work schedules. If you have additional questions, please reach out to your program manager or refer to the document center located in Sandata's Crews Quarters tab.

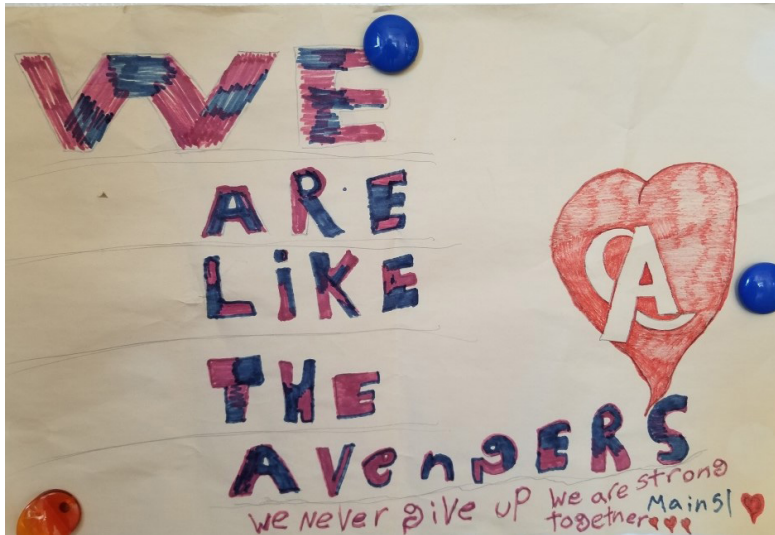

## August Compass Award Winners

**Krystle Maxfield  
Ruby Butler

Want to nominate someone? The form can be found and submitted through the website: <https://www.mainsl.com/compass-nomination/>

## COVID Practices

Just a reminder of the COVID 19 practices for office space. We ask people to wear a mask in common areas (hallways, break rooms and bathrooms) if we cannot social distance OR have a same-day negative COVID test result. If you are meeting with a team and can not social distance, the same rules apply - please mask or test. If you are not feeling well please stay home.

## Sandata Update

An update has been made to the Schedules and Staff Logs. Now if an employee has a preferred name they are known by, they can enter that into the Nickname section in their Personal Information on the Employee Name/Demographic Change Form. Please use this option if you are known by your co-workers by your preferred name, rather than your legal name.
