How To Manage Your Finances

Revised and updated by
Brendan Vigorito,
Consumer Credit Counselor

Well-being is an important part of one's health and wellness. This month we would like to share with you a financial well-being webinar from Optum. If interested, this information could be great if you are looking to evaluate your current financial situation, explore how you are currently utilizing your finances, and provide tips to create an action plan to manage your finances more effectively. If you are looking for more information please check out this link: <https://youtube/5Uv5q1kGmp4>

Want to add something to the Announcements?
