### Characteristics of Roommates:

One of the roommates has a very gentle demurrer, all around great guy. He is a die-hard Twins fan and loves going to the games and watching them on TV. He enjoys his daily strolls to the gas station to get his newspaper. He likes to go bowling and eating out. He enjoys time in his bedroom, to relax after a long day at work.

The second roommate is so friendly and loves to laugh. He absolutely loves to play video games. In the summer he enjoys sitting around the fire pit, roasting hotdogs and making s'mores. He is always up for a walk, going out to eat, bowling, sitting in the wading pool in the backyard on hot summer days and watching movies.
